Cancellation

All cancellations must be in writing to Congress Secretariat to congress@htexporus.ru before August 17, 2019. A substitute can be nominated.

Language

The official language of the Congress is English.

Proceedings

The full papers accepted for oral or poster presentations will be published in Congress Proceedings.

General requirements for oral presentations

The presentation should be no longer than 15 minutes; a question and answer period of 5 minutes will follow.

Authors can prepare a graphical presentation using PowerPoint (.ppt).

PowerPoint presentations on USB flash drive must be delivered to the technical staff in the congress room at least 15 minutes before the session starts.

Congress rooms equipment

Congress rooms are equipped with presentation equipment: PC (or laptop) with Microsoft software, LCD-projector and screen (or plasma panel), microphones, sound amplifying equipment, etc.

Poster session

During the congress the poster session will be held in the hall 2 Pavilion 7, Expocentre Fairgrounds. To get into the hall 2 you need to go through the hall 1 of the "Heat Treatment – 2019" exhibition. Authors are kindly asked to place their posters before 10.00 a.m. September, 17.

General requirements for posters

The posters must be oriented in the "portrait" position (long dimension is vertical).
Authors can make use of the dimensions of 900 mm width x 1200 mm height for the posters.

The "Tom Bell Young Author Award"

The "Tom Bell Young Author Award" (TBYAA), sponsored by LINDE GAS, will be given for the best paper from a young author presented at the IFHTSE Congress.

A young author will be awarded at the Closing Session in Conference Hall (Floor 4, Pavilion 7.1) at 13.10-13.40.

Mobile/Cell phone

Mobiles must be kept turned off or in silent mode in all congress rooms.

Insurance

The Congress Secretariat can't assume any responsibility for personal accident, loss or damage to the private property of participants and accompanying persons, which may either occur during or arise from the Congress. Participants should therefore take whatever steps they consider necessary as regards insurance.

Hotel reservation

Hotel reservations can be made by filling in the on-line form <http://ifhtse.forms.paxport.tech/>. If you have any further questions concerning your trip, please, contact Paxport Corporate Company - the official travel partner of the congress +7(495) 374-63-94, ext. 9042, solodilov@paxport.ru, <http://26ifhtse.com/accommodation>

Parking

Please, note that the area surrounding Expocentre Fairgrounds is continuously monitored by a towing service for vehicles violating parking rules. For this reason you are requested to leave your vehicles only in specially marked and signed parking areas and bays. There are two paid car parks near Expocentre Fairgrounds: the one is inside the Afimall City shopping centre, and the other is near Krasnaya Presnya Park (the entrance from Krasnopresnenskaya Naberezhnaya). We inform you that in compliance with the order of the Moscow Department of Transport and Road Infrastructure Development No.61-02-88/4 from 3 April 2014, on-street paid parking on streets adjacent to the Moscow City International Business Centre came into effect as of 1 June 2014. For full list of paid parking spaces, see <http://parking.mos.ru/en/>

Travel connections

Arrival in Moscow by plane is carried out in one of three international airports connected with the city center by Aeroexpress train <https://aeroexpress.ru/en/aero.htm>

From Sheremetyevo International Airport: "Aeroexpress" train to "Belorusskaya" metro station (green line or circular line)

From Domodedovo International Airport: "Aeroexpress" train to "Paveletskaya" metro station (green line)

From Vnukovo International Airport: "Aeroexpress" train to "Kievskaya" metro station (blue line)

Exhibition

In the framework of the 26th IFHTSE Congress the 13th International Specialized Exhibition "Heat Treatment – 2019" will be held (Halls 1 & 2, Pavilion 7, Expocentre Fairgrounds).

Main exhibition sections:

- Heating electric furnaces (chamber, shaft, insulated, with roll-out hearth, etc.)
- Thermal and chemical-thermal equipment
- Induction equipment
- Vacuum equipment and components of vacuum systems
- Laboratory equipment, etc.
